Rundy Purdy, author of *The Sea is Wide: A Memoir of Caregiving* is coming to bring support and encouragement to caregivers with his message of perseverance and hope. Based upon the years of his personal caregiving experience, Rundy shares his story of love with compassion and gentleness.

Rundy spent three years providing full time personal care to his ailing grandfather. Based on his extensive caregiving experience, he has a passion to help those facing the Alzheimer's caregiving struggle. His goal is to inspire and encourage others to overcome obstacles and become all the caregiver they can be.

In a combination of presentation and question and answer session, Rundy provides key insights into Alzheimer's, providing excellent care, and understanding those in our care.

All are welcome! Books will be available for purchase and author signing.
